# 4<sup>th</sup> NATIONAL PHARM D COLLOQUIUM (NPC-2023)

On 24<sup>th</sup> and 25<sup>th</sup> March, 2023

Organized By  
**Department of  
Pharmacy Practice**

**“ PLATFORM CREATED EXCLUSIVELY FOR MORE OF STUDENT ORIENTED ACTIVITIES , NO DIDACTIC LECTURES ”**

Chief Coordinator  
**Prof. (Dr) Sunil S. Jalalpure**  
Principal  
KLE College of Pharmacy, Belagavi

Programme Coordinator  
**Prof. Dr M S Ganachari**  
Head, Dept. of Pharmacy Practice  
KLE College of Pharmacy, Belagavi

## Context:

- National forum to create a blend of teaching, research, or patient care and to call for, young pharmacists to get benefitted for exploring careers at Hospital set-up, community, teaching, and research institutes as well as other organizations throughout the world.
- The profession of Pharmacy where the role of the pharmacist is evolving rapidly and driven by challenges.
- This will provide an excellent platform for sharing knowledge and experience in pharmacy practice.
- The workforce demands of healthcare are influenced by the science that drives the development of rational use of medications with the help of skilled resources.
- Hence, this conference will boost the skill, confidence, and practice to create global leaders in healthcare.

## Objectives:

The aim of this conference is:

- To construct a pharmacy practice model that focuses on advanced patient medication outcomes by mastering qualities like knowledge, skills, and attitude toward excellence in practice.
- To provide a platform for young budding pharmacists to create a forum to explore current trends in academics, patient care, and research in pharmacy.
- To provide an opportunity for delegates and students to interact with other health professionals and share their experience and knowledge applications in the pharmacy profession.
- To provide a platform to make them aware of the soft skills needed for jobs.

## TARGET PARTICIPANTS

- Faculty of Pharmacy
- Pharm D. (2nd year to 6th year)
- M Pharm-Pharmacy Practice
- MSc Clinical Research

# ABOUT US

## ABOUT ORGANIZATION:

- KLE College of Pharmacy was established in 1968 in the pleasant environs of J. N Medical College, Belgaum, to provide quality education in pharmaceutical sciences.
  - The courses started with, Diploma in Pharmacy (1968) followed by B. Pharm (1975), M. Pharm (1988), and Ph.D. Programmes (2000), M. Sc. in Clinical Pharmacy (2013), and eventually Pharm. D (2014).
  - The institution became a constituent unit of the KLE Academy of Higher Education and Research, Belagavi, [Deemed-to-be University] in 2009.
  - Over the past 50 years of its existence the college has transformed into a centre of academic excellence, which is evident by unique milestones such as **NBA since 1996 and NAAC** accreditation since 1998
  - KLE Academy of Higher Education and Research, Belagavi, [Deemed-to-be University] has been accredited with A+ (A Plus) Grade by National Assessment and Accreditation Council (NAAC) 3rd cycle.
  - The institution is ranked **40<sup>th</sup>** among Pharmacy colleges all over India by NIRF (MHRD) in 2021 and was ranked **22<sup>nd</sup>** consecutively in 2018 & 2019.
  - Courses at the institute are recognized by the **Pharmacy Council of India (PCI)** and **AICTE**. The institute has a strong alumni association with over 2000 active members, who are placed globally at various positions in academics, Clinical, Industrial, Regulatory, and Entrepreneurial services.
  - The institute is also recognized as a **Quality Improvement Program (QIP)** Nodal Centre and recognized as **Continuing Education in Pharmacy (CEP)** centre by the Pharmacy Council of India. It is only one of the two colleges in Karnataka to get students under the QIP program.
- Dr. Sunil S. Jalalpure** is officiating as principal and the college is fortunate to have him at its helm. College is adequately supported by well-qualified and well-trained staff in every department.

## ABOUT DEPT.OF PHARMACY PRACTICE:

- The Pharmacy Practice, a patient-oriented course, was started at KLE College of Pharmacy, Belagavi in 2000.
- The Department of Pharmacy Practice is located at the **KLE Dr. Prabhakar Kore Hospital and Medical Research Center, Belagavi**, which is a 2200-bed multi-specialty teaching hospital.
- The department's main objective is to provide students with hands-on experience in clinical research, clinical pharmacy Practice, community pharmacy practice, and unit dosage formulation/dose division.
- Postings in hospital pharmacies and health camps to conduct prescription analysis, and BP monitoring which is apart from regular course work to pursue community training.

## Highlights of Department of Pharmacy Practice:

### A) Model Pharmacy/Managed Care Pharmacy :

- **“Best practices that offer quality care & cost-effective coverage to patients”**
- Managed Care Pharmacy Was Established in the year 2014 by the Department of Pharmacy Practice located on the 4th floor of KLE College of Pharmacy, Belagavi.
- Managed care pharmacy is well positioned to bring change to the health care system by providing patient care, reducing medication errors advising patients on safe & rational drug use and now this practice has been included in the curriculum of Diploma in Pharmacy.

### B. Pharmacovigilance Centre

- Dept. Pharmacy Practice is recognized by IPC-NCC, Ghaziabad under PvPI.
- Monitoring and reporting of ADRs (ICSRs) from health care professionals, PharmD interns, Nurses, and Non-AMC hospitals.
- ADR Case Reports entered into VigiFlow Data Base.
- Training the Pharm D 5th year and Pharm D interns on reporting ADR case reports in VigiFlow Database.
- Causality assessment for each reported ADR care report by a causality assessment committee.

### C) Unit dosage formulation/Dose division:

- Right Drug at the Right Time.
- Individualization of doses is important for desired clinical effects and good patient care.
- Our department is extensively rendering solid dose division services to the patients in NICU, PICU, cardiology, and nephrology department.

### D) Site Management Office:

- KAHER Site Management Organization (SMO) provides clinical trial-related services to medical device companies, pharmaceutical sponsors, and its representative.
- SMO perpetrates as a service provider for investigators at our hospital, towards all spheres of implementation of clinical trials and more than 100 clinical trials from phase 2 to phase 4 are being practiced.
- IEC with the Dept. of Pharmacy Practice conducts regular ICH- GCP training and workshops for interns and students.
- Pharm D interns are posted in SMO and get well-trained in clinical trials.

### E) Primary Health Centers (PHC)

- Clinical Pharmacists, as the first point of contact for the public are becoming increasingly involved in primary health care providing access to medications and chronic disease management services.
- They are also involved in public health through the delivery of smoking cessation, cardiovascular screening, and immunization programs.
- Disease surveillance and epidemic control convergence with disease control program data collection, recording, management, and weekly clinics for specialized care.

## F) COMMUNITY PHARMACY

- Community pharmacists are often on the first line of health care. In addition to dispensing medications and monitoring patients for adverse effects and interacting drugs, pharmacists provide important counselling services, such as proper selection of over-the-counter medications and/or referral to other health care providers. Today's pharmacists also must be versed in alternative medicines.
- Students are posted in 2 Pradhan Mantri Bhartiya Jan Aushadi started by KLE College of Pharmacy and Dept. of Pharmacy Practice as it gives quality medicines at affordable prices and also an opportunity for the students to experience the practice in community settings and improve their knowledge and skills in various aspects like prescription analysis, monitoring of drug utilization, health promotion, medication errors monitoring, dispensing of medicines and pharmaceutical care services

## F) Total Parenteral Nutrition:

- Total parenteral nutrition involves the intravenous administration of nutritionally sufficient and balanced formulations to supply essential nutrition to patients who are unable to tolerate oral or external feeding due to dysfunctional or inaccessible gastrointestinal tract, over the years

## G) CYTOTOXIC DRUG RECONSTITUTION (CDR) UNIT

- Preparation of safe and sterile chemotherapy for patients is vital to avoid Blood Stream Infections (BSI) and occupational exposure effects.
- Therefore, a pharmacy-based additive pharmaceutical care and reconstitution service have been in operation from the department of pharmacy practice, KLE College of Pharmacy Belagavi at KLE Dr. Prabhakar Kore Charitable Hospital and MRC Belagavi.
- Rendering the Onco-pharmacist services through the CDR unit was initiated on July 2019. Compounding Isolators provide a sterile work environment for the compounding of hazardous and non-hazardous drugs which offers multiple levels of protection in order to eliminate contamination. This device creates factual HEPA-filtered laminar airflow at 20 air changes per minute within both the work zone and interchange areas to assure ISO Class 5 conditions.

## 1) SHORT MOVIE MAKING

**THEME : "Role of pharmacist in the healthcare sector"**

### INSTRUCTIONS FOR SHORT MOVIE MAKING

- Movie should only be acted out by students.
- The video must not exceed 5 minutes.
- The video should be of high quality, have clear sound, and be in mp4 format.
- Bring a copy of your video on a USB stick/pen drive.
- Email your video link to Google Drive [klebmgpharmacypractice2016@gmail.com](mailto:klebmgpharmacypractice2016@gmail.com) by **March 10, 2023**.
- If selected as a winner, runner-up, or otherwise selected, your short movie may be published in print, and social media, and exhibited at Pharmacy Operations and KLECOP Belagavi. The Copyright remains with KAHER.

## 2) STREET PLAY ( A commitment to a community )

**THEME : "PHARMACIST AS HEALTH EDUCATOR"**

### Instructions For Street Play:

- Number of teams per college 01
- Time duration- 10 minutes
- 6 to 10 members (including Narrator) allowed.
- Can use the instrument to play sound/music
- Personal remarks or character assassination or use of censored act or language are not allowed
- If selected as winner or runner-up, your submission may be published in print and social media and displayed in the Department of Pharmacy Practice and KLECOP Belagavi, KAHER.

### 3) POSTER PRESENTATIONS

#### A. Concept / Startup Paper

- **Theme : Next-generation pharmacist.**

##### Eligible candidates:

Pharm D 2<sup>nd</sup>- 5<sup>th</sup> year, M pharm I year, and MSc Clinical Research.

#### B. Scientific Paper

- **Original contribution from ongoing and unpublished research work/project work**

##### Eligible candidates:

Pharm D interns and M.Pharm II year Area of research

- **Benefits risk assessment**
- **Medication safety**
- **Drug utilization/health services research**
- **Medication adherence**
- **Other related fields**

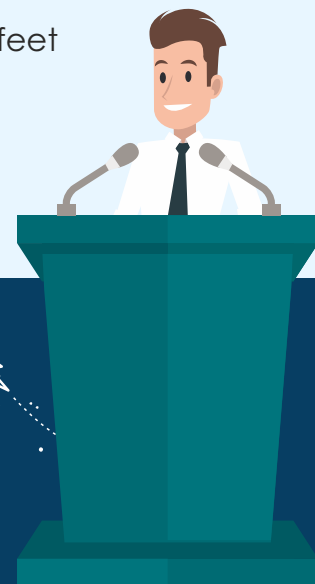

### ABSTRACT SUBMISSION

1. The abstract must be written in English, and provide an informative summarizing the research work.
2. Font types: Times New Roman
3. Font size:
  - Title: 14 font
  - List of authors: 12 font
  - Affiliations: 10 font
  - Presenting author's email: 10 font
  - Main body of the text: 12 font
  - Key Words: 12 font, italics.
4. The overall word count of the abstract should not exceed 250 words.
5. **Abstract body:** The abstract shall comprise an introduction, aim & objectives, methods, results, summary, conclusion, and keywords as per the given template.
6. Abbreviations or acronyms, except units of measurement and those that are widely used or known, **should be defined at first mention.**
7. Submit the abstract to [klebgmpharmacypractice2016@gmail.com](mailto:klebgmpharmacypractice2016@gmail.com) on or before **March 10, 2023.**

## INSTRUCTIONS FOR POSTER PRESENTATION

- Posters must be designed to fit a poster board approximately 1/1 (3 feet WIDE X 3 feet HIGH)
- Poster orientation: PORTRAIT.
- Font type: Arial/Verdana.
- Font Size: 32 and 48.

## 4) PECHA-KUCHA and ORAL PRESENTATION

### 1. PECHA-KUCHA presentation.

- For Faculty and research scholars

### 2. Oral Presentation

- For Students of PG & Pharm.D Interns

### INSTRUCTIONS FOR PECHA KUCHA SESSION

1. Oral presentation will be in offline mode only.
2. The presentation should be only in MS PowerPoint (ppt) format.
3. You have to prepare up to 20 slides for 20 seconds. The slides change automatically and the speaker must synchronize their speech accordingly
4. The total time allotted to each speaker is 6 minutes and 40 seconds.
6. The first slide should display the title of the presentation & name of the presenter.
7. Presenters are requested to send their presentations in advance to avoid any last-minute technology issues.
8. Kindly upload the presentation to [klebgmpharmacypractice2016@gmail.com](mailto:klebgmpharmacypractice2016@gmail.com).
9. The deadline for presentation submission is **10th March 2023**.

### INSTRUCTIONS FOR ORAL PRESENTATION

1. Oral presentation will be in offline mode only.
2. The presentation should be only in MS PowerPoint (ppt) format.
3. You have to prepare up to 10 slides.
4. The total time allotted to each speaker is 7 minutes. You should plan to speak for 5 minutes and leave 2 minutes for questions.
5. The first slide should display the title of the presentation & name of the presenter.
6. Presenters are requested to send their presentations in advance to avoid any last-minute technology issues.
7. Kindly upload the Oral presentation to [klebgmpharmacypractice2016@gmail.com](mailto:klebgmpharmacypractice2016@gmail.com).
8. The deadline for presentation submission is **10th March 2023**.

## 5) STORY TELLING

Theme: Success stories during patient care (In Hospital/Community set-up).

### INSTRUCTIONS FOR STORYTELLING

- Participants should build up a story on his/her real experience/s encountered during ward rounds or in a community set-up.
- Time duration 3 minutes.
- Personal remarks or character assassination or use of censored act or language are not allowed
- The Story Should be sent to [klebgmpharmacypractice2016@gmail.com](mailto:klebgmpharmacypractice2016@gmail.com) on or before **10th March 2023**

*Success Stories*

*During Patient Care....*

## 6) INTERACTIVE PANEL DISCUSSION:

- Career In Pharmacovigilance

### Panellist

**Mr. Anand Harugeri**

Director, Service Operations at IQVIA  
Durham, North Carolina, 27703, United States

**Dr. Prasad M R**

Cardiologist, Medical Researcher  
KLES Dr. Prabhakar Kore Hospital and Medical Research Centre  
Belagavi, Karnataka

## 7) MANN KI BAAT:

### Guest Speakers

**Raja Agnihotri**

Chief Strategy Officer (CSO),  
ADVITY RESEARCH  
Hyderabad, Telangana

**Suresh T L**

Business Director. HIMALAYA WELLNESS  
The Himalaya Drug Company  
Bengaluru, Karnataka, India

## PROGRAM SCHEDULE

Timings Schedule	Highlights of the Activities	Co-ordinators
<b>Day 1: 24th March 2023</b> <b>Venue: 300-Seater (Dr.B S Kodkany) hall, KLE Centenary Convention Centre, Belagavi</b>
